

I WORK FOR FUTURE AIR AND WINDOWS IN EL CAJON, CA TO CONSERVE ENERGY. IF WE DON'T GET EXEMPT FROM THIS LAW NOBODY WILL HAVE ELECTRICITY TO WORK WITH. WE DON'T HAVE THE OPTIONS WE HAD LAST YEAR TO BORROW FROM ARIZONA OR COLORADO. THEY WON'T EVEN CONSIDER THE IDEA. WHAT WILL YOU DO IN THE DARK!!! PLEASE HELP OR WE WILL ALL BE IN THE DARK!!!

JANET M. CAREY

CONSERVATION IS
THE ONLY ANSWER
